MEMORANDUM FOR: TALENT Security Officer, CIA

SUBJECT : Inspection Report

REFERENCES : TCS-1584-57, July 1957
TCS-1591-57, 29 July 1957

1. I have read with interest your inspection report of the TALENT Control Centers in the European and African areas dated July 1957. It is commendable for its comprehensiveness and clarity. I find it a reassurance that the TALENT system is really being effectively carried out overseas.

2. I see nothing in the report which I would find of a nature which would be offensive to the TCOs or TSOs of other agencies who are involved.

3. Accordingly, I recommend you proceed with the dissemination to those officials.
